Manyara

Manyara is a medium-bodied but full-flavoured blend. It has a very complex flavour, with Fire Cured Virginia, strong Burley, plenty of Louisiana Perique, Dark Fired Kentucky as Ready Rubbed Flake and Ribbon Cut, Orient, a touch of Brazil and a hint of Latakia. Oscillating between woody-spicy, leathery-sweet, earthy, chocolaty and ethereal notes, Manyara proves that Kentucky blends don't have to be monotonous and overpowering. A blend for lovers of spicy, tobacco-rich blends with a distinctive, nuanced flavour.

Director's Cut

The Director's Cut is based on a traditional Virginia/Perique curly cut, which would have been matured as a rope and then cut into slices. The expressive Virginia notes, the strong Perique core and the added Burley form an interesting partnership, which is complemented by sugar-rich Virginia Loose Cut and a touch of Fire Cured Virginia for a robust character.

Louisiana Broken

Louisiana Broken, a Virginia Ready Rubbed Flake, makes a powerful impression with its strong Virginia notes, which reach optimum maturity through pressing. Harmonised with Perique and a hint of Kentucky, this tobacco is robust, strong, expressive and yet sweet and creamy. This tobacco is full of character, making it a must for Perique lovers and a dream for anyone seeking a distinctive offering. Louisiana Broken embodies the spirit of Louisiana in a traditional and lively way.

Edward G.

Edward G. Robinson, the film noir antihero, is the inspiration behind this rubbed flake. Red Virginias of various origins are dark-pressed under heat for a sweet-tart characteristic. Rounded off with a little Perique, Brown Virginia and a hint of Kentucky, Edward G. impresses with its fine natural sweetness. The result: a mixture as distinctive, multi-layered and multi-faceted as Robinson's life.

Raiko Inbetween

Our shared love of tobacco was what brought us together, so Rainer (aka Raiko) decided to create his own tobacco. The result – InBeTween – impresses with its luxurious opulence and a touch of decadence. Latakia, which accounts for almost half of the blend, is accompanied by high-quality Virginias, Burley and Black Cavendish. It is deep and dark like a good stout, with a subtle cocoa flavour for a smooth experience. InBeTween also goes perfectly with dark beer.

Nebari

Nebari is an intriguing, high-contrast Oriental blend with a Virginia/Burley cube cut and plenty of Perique. In collaboration with Tobias Höse of Bonsai Pipes, the blend was created out of personal taste, but it went down so well that we simply couldn't keep it from you. Climb aboard the Nebari Orient Express and experience sweet and savoury indulgence.

Dark Moor

Dark Moor combines first-class Brown Virginias with Kentucky and Perique for a sweet, strong blend. The peaty Kentucky leaf, slightly nuanced by Perique, gives the tobacco an unmistakable smoky, spicy character. The quality of the blend is reflected not only in its deep, harmonious flavour, but also in the labels created to express the soul of the tobacco. After emerging from the mist in the morning, this soul likes to pair up with a whisky by night.

Night Owl

Night Owl uses selected, pressed Red Virginias, which go down a treat with their sweet, malty, and slightly caramelly flavour. This is harmoniously accompanied by peaty Burley, the peppery spice of Perique and a hint of Kentucky for a deep, flavourful and multi-layered experience. As calm and stoic as an owl at night, this tobacco is perfect when enjoyed with a beer at the end of a long day.

Dark Sea

The Dark Sea sailor blend is based on Ready Rubbed Virginias, Kentucky tobaccos, Burley, Perique and a hint of Latakia. Flavoured with rum and aniseed, it highlights its natural character and gives it a maritime touch. Dark Sea is no lightweight – it's a tobacco with a strong presence and a clever interplay of flavours, making it an adventure for all those who love the seafaring life.
